## THE GODDESS OF DELIGHT

A compelling, fascinating, inspirational gifted soul catalyst, speaker and teacher, Isis delivers powerful lessons on overcoming adversity, healing from trauma, and reclaiming your power and soul purpose, with a genuinely loving and deeply compassionate nature.

She's experienced near-death and the kind of violent trauma that no human being should have to face. As a homeless single mother, Isis climbed her way up the corporate ladder, only to end up abducted and held prisoner by a human trafficker and nearly sold to a Middle Eastern arms dealer. Her story of captivity, torture, near-death, escape, healing and triumph to finding the delight, miracles and prosperity in everyday life is a powerful testimony to the power of the human spirit to overcome any adversity.
